SALEM

(SPECIAL CORRESPONDENCE)

SALEM, Dec. 6.—The Modern Window Glass Company, one of the co-operative factories here, have given legal notice of a stockholders meeting for today, at which meeting a proposition will be submitted to the stockholders proposing an increase of the capital stock of the company from \$50,000 to \$100,000. This has become necessary in order to give this progressive factory ample capital and funds to properly promote and carry on its large business. Louis Lambiott, Jr., of Clarksburg, is the president of the co-operative company, and the plant is now operating at its full capacity.

Price Haymond, of Bowling Green, Va., is visiting his mother, Mrs. J. W. Williams, who has been seriously ill for some time. Mr. Haymond is assistant cashier of the bank in this Virginia town. Mrs. Nell Smith, of Boston, Mass., a daughter of Mrs. Williams, is also here. Mrs. Smith is accompanied by her daughter.

The Baptist ladies bazaar Thursday in the basement of the church was decided success and a nice sum was added to the treasury amounting to \$128.

Miss Edna Carney, who has been one of the trimmers in the Maple millinery shop left the first of the week for Morgantown, where she has purchased a millinery shop centrally located, and has taken charge of the same. Her parents, Mr. and Mrs. John Carney, will also move to Morgantown about the first of the year and Mr. Carney will also engage in business there.

Mr. and Mrs. J. F. Reynolds have returned from Morris, Okla., and are visiting at Thomas Mowery's in the West End. Mr. Reynolds will locate here.

The postoffice department recently advertised for a postoffice room of this move has become imperative with present room being inadequate. This has become necessary on account of the growing volume of mail at the local office that has been on the increase for years. With the development of the parcel post, and the growth of the city and nearby tributary towns, this move has become imperative with the limited quarters now occupied.

Miss Evelyn Goff, of Palisades, Colo., is visiting her aunt, Mrs. J. J. Lough. The Salem Herald issued a special Christmas number this week, part in colors and of sixteen pages. It was liberally patronized by progressive business houses with holiday advertisements.

By the death of an aged woman in Florida, Salem College receives a nice bequest of \$1,000 in a scholarship. The party making the gift, Mary E. Rich, makes some conditions and habits of life that the one receiving the free

scholarship must live up to as to being temperate and of a pure life.

CHIEF BROOKS BACK.

Chief of Police Harry L. Brooks returned last night from Huntington where he had been for the last few days attending the sessions of the convention of police chiefs of the state. He expressed himself as being highly pleased with the results of the convention and he is justly proud of the honor conferred upon him, he having been elected treasurer of the association.

Hooray! Blood
Free of Impurities

Eczema Gone! Acne, Tetters,
Rash, Pimples, Carbuncles,
Boils—Banished!

It is certainly remarkable how quickly the action of S. S. S. the famous blood purifier, shows itself in the skin. There is one ingredient in S. S. S. which peculiarly stimulates cellular or glandular activity to select from the blood, or from the fine network of blood vessels in the skin, those elements which it requires for regeneration.

Thus pimples, acne, eczema, lupus, or any other blood condition that attacks the skin or seeks an outlet through the skin is met with the antidotal effect of S. S. S. This is why skin troubles vanish so readily and why they do not return. Under the influence of S. S. S. this fine network of blood vessels in the skin is constantly selecting from the blood the nutrition required for healthy tissue, and the cause of disease is just as constantly being removed, scattered and rendered harmless.

You will be surprised and delighted at the quick change if you will use S. S. S. the famous blood purifier. Its action in the skin is quite sensational. These facts are most fully explained in a book on skin troubles sent by the Swift Specific Co., 213 Swift Bldg., Atlanta, Ga. You will find S. S. S. on sale at all drug stores. Get a bottle to-day and banish all skin afflictions.

When you ask for S. S. S. look out for the common trick of trying to sell you something else. Don't be misled.

SAGE AND SULPHUR DARKENS GRAY HAIR

It's Grandmother's Recipe to
Restore Color, Gloss and
Thickness.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly that nobody can possibly tell it has been applied. Besides it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.—Advertisement.

Avoid Sedative Cough Medicines.

If you want to contribute directly to the occurrence of capillary bronchitis and pneumonia, use cough medicines that contain codeine, morphine, heroin and other sedatives when you have a cough or cold. An expectorant like Chamberlain's Cough Remedy is what is needed. It cleans out the culture beds or breeding places for the germs of pneumonia and other germ diseases. That is why pneumonia never results from a cold when Chamberlain's Cough Remedy is used. It has a world wide reputation for its cures. It contains no morphine or other sedative. For sale by all dealers.—Advertisement.
